Concordia Practitioner Directory

Practitioner Directory Data Sources

Name: Practitioners tell Concordia their name when they join the network and every 3 years thereafter when they complete the recredentialing process.

Changes to information between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated. Concordia does not verify practitioner name.

Gender: Practitioners tell Concordia their gender when they join the network and every 3 years thereafter when they complete the recredentialing process.

Changes to information between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated. Concordia does not verify practitioner gender.

Discipline/provider type: Discipline/provider type means the practitioner's area of professional training such as physician, psychologist, social worker, mental health counselor. Practitioners tell Concordia their discipline/provider type when they join the network and every 3 years thereafter when they complete the

recredentialing process. Concordia verifies discipline/provider type when practitioners join the network. Changes to information between 3 year cycles may not be reflected until the next 3 year reporting cycle. If Concordia receives new information between cycles, the information is verified and the directory is updated.

Specialty: Specialty means the practitioner has completed additional education and training in a specific area after completing medical or professional school.

Practitioners tell Concordia specialty information when they join the network and every 3 years thereafter when they complete the recredentialing process.

Concordia verifies specialty training at these times. Changes to information between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated.

Organization affiliations: Organization Affiliation means the provider with which the practitioner works or is associated. Practitioners tell Concordia their

organization affiliation when they join the network and every 3 years thereafter when they complete the recredentialing process. Changes to information

between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated.

Concordia does not verify organization affiliation.

Board certification: Board Certification means the practitioner has completed additional education and training in a specific area after completing medical or professional school and has successfully passed an examination indicating

expertise in this area. Practitioners tell Concordia board certification information when they join the network and every 3 years thereafter when they complete the

recredentialing process. Concordia verifies board certification from the issuing entity at these times. Changes to information between 3 year cycles may not be

reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated. For the most current board

certification information, go to <http://www.certificationmatters.org/> and search by name or specialty for your practitioner's information.

Accepting new patients: Accepting New Patients means the practitioner will see new patients in the practice. Practitioners tell Concordia information about

accepting new patients when they join the network and every 3 years thereafter when they complete the recredentialing process. Changes to information

between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated.

Concordia does not verify accepting new patients' information.

Concordia Practitioner Directory

Languages spoken by the practitioner and, if applicable, the staff: Languages spoken by the practitioner or the staff means the practitioner or staff can speak in the listed language. Practitioners tell Concordia information about languages spoken by the practitioner or the staff when they join the network and every 3 years thereafter when they complete the recredentialing process. Changes to information between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated. Concordia does not verify languages spoken by the practitioner or the staff.

Office Locations: Practitioners tell Concordia their office location when they join the network and every 3 years thereafter when they complete the recredentialing process. Changes to information between 3 year cycles may not be reflected until the next 3 year cycle. If Concordia receives new information between cycles, the directory is updated. Concordia does not verify practitioner office location.
